Dear Dr Heunis

I would like to thank and commend you and your staff, on behalf of the Graduate School of Technology Management, for their competence, friendliness and for making the experience an unforgettable one for our students.

The tranquil venue, superb catering, as well as the hands-on approach to getting our students to push their boundaries and challenge themselves makes it an unforgettable experience. Your valuable inputs and support made a huge difference to our students' experience of the programmes and their skills development.

We look forward to our further collaboration in 2023.

Yours Sincerely
